Unit Security & Fire Prevention

The Property Manager reiterates the following tips in observance of the Fire Prevention Awareness.

1. Avoid electrical overloading.
2. Unplug all electrical appliances after every use.
3. Check gas stoves and LPG tanks for leaks.
4. Keep children away from flammable liquids, lighters and matches.
5. Avoid smoking in bed.
6. Ensure you know the fire exit stairs.
7. Do not leave lighted mosquito coils unattended.
8. Always take extra precautions while cooking.
9. Never leave lighted candles unattended.
10. Do not throw lighted cigar or cigarette butts on dried leaves and garbage.
11. Maintain proper housekeeping to eliminate fire hazards.
12. Be fifire-safety conscious.

He also urges you to take these precautions to ensure the security of your unit especially during long vacation.

1. Make sure you lock the door including the deadbolt when you leave your unit.
2. Make sure to close the windows properly.
3. Keep the gates closed at all times.
4. Inform the Property Manager if you notice unfamiliar and suspicious looking individuals at the premises.
5. Be security conscious.

You are further advised to be updated with the different emergency numbers posted at the back of your unit door and what stations to call for help in case of emergencies.

Very truly yours,

The Property Manager
